CHARITY DEREGISTRATION FORM

CHARITIES
SERVICES

Ngā Ratonga Kaupapa Atawhai

Section 31 of the Charities Act 2005

If you would like to deregister a charity and you are the charity's officer or authorised person, please complete this form in CAPITAL LETTERS with a black or blue pen.

You should be aware that there are tax consequences if your charity is deregistered. Please refer to further information on our website (www.charities.govt.nz). We strongly advise that you contact Inland Revenue to discuss your tax situation if your charity holds assets and is considering deregistration.

If you are winding up your charity or merging with another organisation, you must follow your governing documents (such as your constitution, rules or trust deed). Registered charities' governing documents will have a winding up clause that says what must happen to any assets (for example, that they are given to another registered charity with similar purposes). The governing documents may set out a procedure for distributing the assets (for example, a procedure for choosing the charity that will receive any assets).

The information you provide on this form will be publicly available on the Charities Register (except the email and phone number of the person who completes this form, but the person's name and position will be publicly available).

All fields marked with an asterisk (*) are mandatory. If a mandatory field doesn't apply to your charity, write "N/A" (not applicable). Please refer to the Help Text at the back of the form if you need further information.

CHARITY DEREGISTRATION FORM – HELP TEXT

1 CHARITY INFORMATION

Charity Name

The legal name of your charity. You can find this on your charity's summary page on the Charities Register (www.charities.govt.nz)

Charity Registration (CC) Number

You can find this on your charity's summary page on the Charities Register (www.charities.govt.nz).

IRD Number

If your charity has an IRD number, you will find it on any communication your charity has received from Inland Revenue.

2 REASON FOR DEREGISTRATION

There may be more than one reason why your charity wants to deregister, but please select just one option from this list. You will then be able to expand on the reasons for deregistration.

3 CHARITY DEREGISTRATION DATE

If your charity is closing down or merging with another charity or organisation, this will usually be the date your charity is to be wound up or merged. You can include a date in the future if your charity has decided to deregister on that date (for example, to allow time for assets to be transferred to another organisation). If your charity no longer meets the requirements for registration, it should be the earliest date the organisation was not entitled to registration.

4 FINANCIAL INFORMATION

We are collecting information on the value of your charity's assets and liabilities as deregistered charities may need to pay a one-off tax on accumulated assets that are held at the date of deregistration. Further information is available on the Inland Revenue Department's website (www.ird.govt.nz).

Please include the estimated value of all assets (the things that your organisation owes) and income of your charity at the date requested for deregistration. Assets may include cash, bank accounts, property, investments, equipment, furnishings, etc.

Please provide the estimated value of your charity's liabilities (what your charity owes) at the date requested for deregistration. Liabilities may include outstanding wages, loans, overdrafts, redundancy payments, bills, invoices, rent, etc.

5 REVIEW AND CERTIFY

Please check that all the questions have been answered correctly before signing this form. You also need to read the Privacy Statement, which appears at the end of the form (before this Help Text).

Supporting Documents

You may want to upload documents that support the decision to deregister your charity and the reason for that decision, for example, meeting minutes. You can also attach evidence relating to the distribution of assets (if, for example, your charity has transferred them to another organisation).
